

When you participate as an entrepreneur or an investor you will help transform ...

Our Economic Development Funding
FROM: Venture Capital Funding Centralized Corporations
TO: Human Capital Co-funding Collaborative Ventures

● **Entrepreneurship Development**

Trains aspiring entrepreneurs for success in the demanding global marketplace. Whether for founders, teammates or freelancers, our best-in-class platform is available to anyone at anytime, providing live mentors, relevant resources and support, ultimately competing for prized access to industry-leading venture organizations and investment.

● **Workforce Development**

Corporations sponsor paid innovation challenges and virtual internships on our platform, gaining deep knowledge of talent pool soft skills and helping avoid costly mis-hires. Candidates, from students to displaced workers become acquainted with an employer's culture through lucrative apprenticeships, preparing them for more meaningful employment.

● **Economic Development**

Stimulates growth mindset in community through non-equity grants to startups in both CC and USD.
